RED BULL SESSIONS

DANCE IS AN EXTREME SPORT. PAIRED WITH THE RIGHT MUSIC, IT CREATES A LASTING IMPRESSION.

Music and dance go hand in hand, and Red Bull can fuse the two. Red Bull Sessions puts a local artist on a stage at events Red Bull already runs, across the globe.

THE IDEA

AN EVENT YOU ALREADY RUN
a race, a stunt, a dance battle, any event Red Bull wants to promote

+

A LOCAL ARTIST
chosen for the audience you want in that market

+

RED BULL'S UNIQUE SETTING
content, advertising and a sync, while tapping into a local market

=

A CULTURAL MOMENT
only Red Bull can create, with minimal additional spend

YOU'RE ALREADY SUPPORTING DANCE

Spain's 2026 battles have just finished, so next season's qualifiers are the window to start.

FOR EXAMPLE: SPAIN

EVERY COUNTRY HAS A SCENE LIKE THIS. IN SPAIN IT'S HUGE RIGHT NOW, WITH RUSOWSKY LEADING THE CHARGE

He came out of rusia-idk, the Madrid collective and label (rusowsky, Ralphie Choo, TRISTÁN!, DRUMMIE, mori) that Dazed says is shaping the city's party scene.

No. 1
Rusowsky's debut album Daisy entered the Spanish chart at the top (2025)

Latin Grammy
nomination for Best Alternative Music Album, plus a Tiny Desk ↗ (2025)

Arena
the Daisy Tour opened at Madrid's Movistar Arena (Sep 2025)

Daisy came out through Warner, so the scene grew up independent and the majors have already noticed.

A LOCAL ARTIST IN AN ICONIC RED BULL SPACE, FILMED SOMEWHERE IT'S NEVER BEEN SEEN BEFORE.

THE CORE · EVERY SESSION

01 PICK THE ARTIST FOR THE AUDIENCE YOU WANT

02 SET IT IN AN ICONIC RED BULL SPACE →
A backdrop no one else can offer.

03 FILM IT TO TRAVEL BEYOND THE EVENT
Shot in the artist's own style so fans share it, like Oklou on an ice rink ▸ or YHWH Nailgun at Marble Arch ▸, both on YouTube.

FOOTAGE THAT DOUBLES AS ADVERTISING

Every Session is filmed, with a sharp Red Bull can in frame. The artist gets a film they're proud of. Red Bull gets an ad with a song people already love, and a possible sync.

HOW I'D MEASURE IT

Streams of the track before and after. Views, shares and saves of the film. Tickets and attendance. Can sales in the host market, in any of the 178 countries Red Bull sells in.

THIS IS HOW I'D APPROACH ANY BRAND: FIND THE AUDIENCE, FIND THE MOMENT, AND MEASURE WHAT IT SOLD.
